

Jahanzaib Waseem

UI/UX Designer · Full Stack Developer · 2D/3D Animator

jahanzaibwaseem01@gmail.com | +92 315 824 7781 | Karachi, Pakistan | Open to US Remote / Relocation

PROFILE

Ambitious digital professional with 6+ years of experience across UI/UX design, full stack development, and 2D/3D animation. Skilled at delivering complete digital products — from wireframe to working code to polished motion content — for US-market clients. Known for clear communication, fast delivery, and strong leadership across creative and technical teams.

EXPERIENCE

UI/UX Designer & 2D/3D Animator

2023 – 2025

Tech Pulse

- Led UI/UX design for SaaS products targeting US clients, improving user retention by 35%.
- Produced 2D explainer animations and 3D product visualizations for digital marketing campaigns.
- Managed a team of 8 designers and developers using agile sprints and shared design systems.
- Reduced project delivery time by 25% through process and workflow improvements.

Full Stack Developer & UI/UX Lead

2022 – 2023

Assume Technologies

- Built full stack web applications with React, Node.js, and MongoDB for US-based clients.
- Designed accessible, responsive UI components following WCAG 2.1 standards.
- Delivered 3D animated product demos in Blender and Cinema 4D for client pitches.
- Mentored junior team members through weekly code reviews and design critiques.

Sales Executive & Digital Designer

2017 – 2021 (4 Years)

Future Tech Vision

- Exceeded quarterly sales targets by 20%+ through consultative selling and relationship building.
- Designed digital marketing assets — banners, social graphics, and motion graphics — for US campaigns.
- Created 2D animated content for product launches, increasing brand engagement across platforms.
- Developed and maintained client-facing web interfaces, improving lead generation by 40%.
